Sorry, I was in Fall River Superior.

No worries. I will send over the discovery next week (let me know if you need it sooner).

Hi Keith,

I was fine with the power outage, but my brother finally got back power yesterday evening.

I will look into these Lab #s and get back to you. Also, I will send the discovery packet for the other Lab #s.

Hi Annie:

Hope you survived the Halloween power outage season.

I am looking to see if the analysis has been completed on [REDACTED] Not a super rush as she has just been indicted and is between attorneys right now, but I just didn't want it to slip my mind (which is easy to do these days).

Thanks
